Thanks For Your Help

Many thanks to those who golfed in last year's tournament. Over 25 years, the tournament has raised more than \$431,400, 100% of which has gone directly to the Murray Education Foundation's teacher grant program. Through these generous funds, 1,532 grants have been awarded to teachers in the Murray City School District.

Further, the grants from this program have empowered teachers with the resources to introduce instructional materials and techniques that have impacted thousands of Murray children since 1999. The lessons and learning received have elevated classroom experiences and prepared Murray students for a lifetime of opportunity, productivity, and happiness.

Congratulations to the 2023 Tournament Winners
